COMMENTS ON PETITION FOR RULEMAKING

On April 29, 1993, Lower Cape Communications, Inc., licensee of non-commercial FM Station WOMR, Channel 220A, at Provincetown, Massachusetts, petitioned the Commission to amend Section 73.202(b) of the Commission's rules so as to change Station WOMR to FM Channel 221A at Provincetown, Massachusetts. Petitioner acknowledged in paragraph 4 of this Petition that is mutually exclusive with the application filed by the University of Massachusetts for a new non-commercial FM on Channel 220A at Falmouth, Massachusetts.

On June 15, 1993, the University of Massachusetts filed an amendment to its pending application (BPED-930114MC) wherein it submitted a showing pursuant to Section 73.215 to eliminate the mutual exclusivity.

A copy of this amendment is being submitted herein to assist the Commission in its evaluation of this petition.

Respectfully submitted,

UNIVERSITY OF MASSACHUSETTS
